Dr. G.D. Pol Foundation, Y.M.T Homoeopathic Medical College- Hospital And P.G. Institute provides a separate library.

The college library is a place where books and sources of information are stored. They make it easier for student to get access to them for various purposes. College Library is very helpful and economical too. They include all subject books, magazines, journals, newspapers, DVDs, manuscripts, source books, dissertations and more. In other words, they are an all-encompassing source of information. The college library is open to everyone for fulfilling the need for information. The working hours of library is from 9.00 am to 5.00 pm. It is working from Mon to Sat, and closed on Sundays and other holidays as per college regulations. The students of the college or teachers can visit the library to enhance their knowledge and complete their research. There is question bank provided to staff and students which contains question papers of Same institute, Same University, Other University, Question bank for P.G, Different subjects in I to IV B.H.M.S and M.D.I & II.

Library play a vital role in providing students with reliable content. It encourage and promote the process of learning and grasping knowledge. The students get loads of books to read from and enhance their knowledge. The total number of books available is 12663 and there are end numders of books n journals like e.g. Homeopathy heritage, Homeopathy for all, National journal of Homeopathy. Moreover, the variety is so wide-ranging that one mostly gets what they are looking for.

Similarly, library provide authentic and reliable sources of information for researchers P.G students. They are able to complete their papers/ dissertation and carry out their studies using the material present in a library. Furthermore, library is a great place for studying alone or even in groups, without any disturbance. There is a seperate reading hall , separate reference section, faculty reading hall and separate U.G. and P.G students reading hall.

It is spacious and ventilated along adequate seating capacity for 100 students and around 20 faculties They to provide journals, newspapers and reference books to students. The library have some rare books and manuscripts like e.g. Sankaran's Card repertory

The library is a great platform which helps us in various things. We get the reference material for our homework. Research scholars get reliable content for their papers and dissertation. The library provide E-Library Facility to Students and staffs. The library have 6 computers and Internet availability in library is more than 50 MBPS. They increase our concentration levels as we read there in peace.
